Paper/ Abstract Submission Guideline

Paper submission

The manuscript shall be of the size of 5-10 pages of A-4 paper (Front size: 12, Times New Roman, single spacing) including graphs, figures, tables and references. It should contain at least the followings:

Manuscript outline
<p>Project Title, name of authors (including author of correspondence) and affiliations</p> <p>Title: Use upper and lower case bold letters; do not use all capital letters.</p> <p>Authors: First name, Last name. Separate co-authors full names with comma. Put numbers after the last name of each author to designate their affiliation.</p>
<p>Abstract</p> <p>A concise and factual abstract is required. The abstract should state briefly the purpose of the research, the principal results and major conclusions. The abstract should not exceed 600 words in length.</p>
<p>Introduction/background</p> <p>State the objectives of the work and provide an adequate background</p>
<p>Materials and methodology</p> <p>Provide sufficient detail to allow the work to be reproduced. Methods already published should be indicated by a reference: only relevant modifications should be described.</p>
<p>Results</p> <p>Results should be clear and concise.</p> <p>Experimental results may include tables, figures, graphs, reaction scheme, spectrums and photos. Captions must be given for the figures and tables.</p>
<p>Discussion</p> <p>This should explore the significance of the results of the work, not repeat them.</p> <p><i>Combined Results and Discussion section is often appropriate.</i></p> <p>Avoid extensive citations and discussion of published literature.</p>
<p>Conclusions (or Summary)</p> <p>The main conclusions of the study may be presented in a short Conclusions section or a Summary section if conclusion could not be drawn.</p>
